

GILMANTON SCHOOLS

EDUCATIONAL OPPORTUNITIES FOR GRADES 4K - 12

Superintendent's Message

Gilmanton Community —

We are so grateful. This past week, our operational referendum passed with 61% approval, and we are humbled by your trust and support.

We know that saying yes to a referendum is not easy, especially when inflation is making life more challenging for so many families. That is exactly why this vote means so much to us. You chose to invest in our students, and we will not take that lightly.

Our goal has always been straightforward: to give every Gilmanton student a well-rounded education with varied opportunities to grow and thrive. During our community presentations leading up to the vote, we shared what we call the Panther Advantage — the five things we believe set our district apart:

- Personalized Learning and a family-like atmosphere
- Being a Heartbeat of Our Community
- Strong Student-Teacher Working Relationships
- Varied Opportunities for Students
- A Dedicated Staff

These are not just talking points — they are our commitment to you and to every student who walks through our doors.

We are focused on high growth for all students while continuing to be fiscally responsible with the resources you have entrusted to us. Thank you for believing in us and in the future of our Gilmanton School District.

Kory Rud
Superintendent, Gilmanton School District
