Alumni Spotlight

Graduate: Sammie Kent

Class of 1998

After High School: University of Wisconsin - LaCrosse; Bachelor's Degree - Management with Human Resource Management emphasis

Career Information:

I have worked at Menards for 16 years. I am currently their Corporate HR Manager.

Career Highlights:

I was very fortunate to be able to obtain a position in my field of study right out of college. I was one of the first HR Coordinators hired for the Menards stores in 2002 and they have provided me opportunities along the way. Every day presents different challenges and new experiences. My greatest successes are seeing the Team Members I've hired continue to promote within Menards!

Advice to Current Students:

Work hard! Set small attainable goals and celebrate successes!

while others wake up and work hard at it! ”**

Strengths of Gilmanton High School: The smaller class sizes provide more attention to students. As a tight-knit community, we are able to develop life-long relationships with all those that impact us as we grow up.

Fond Memories: I have a lot of memories from attending Gilmanton School. I had a great group of friends - we always had as much fun as possible!
