

WEBSITE ACCESSABILITY

The Gilmanton School District is committed to providing information on our website that is available to as many people as possible. We strive to meet the requirements of the Disability Discrimination Act, Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act of 1990. We will make every effort to ensure that our communications are accessible to those with special needs, including individuals with visual, hearing, cognitive, and motor impairments.

While the Gilmanton School District attempts to adhere to the accepted guidelines and standards for accessibility and usability, it is not always possible to do so in all areas of the website. We are continually seeking out solutions that will bring all areas of the site up to the same level of overall web accessibility.

If you are having a problem with accessing any of the information on the Gilmanton School District website due to a disability, please contact Kory Rud, 715-946-3158. Please provide the following information so that we may try to accommodate your needs: URL or web page address, the problem you are experiencing, and a phone number where you can be reached.
