## GENERAL INFORMATION

### ABSENCES AND ADMIT SLIPS

Students are expected to be to school on time. Regular school attendance is necessary to achieve academic success. The greatest single factor which contributes to low or failing grades in school is tardiness and absence from school.

Any time a student comes late to school, leaves early or is gone for the whole day, parent contact with the school is required - either by phone or by written notice. When a student is absent from school his/her parent/guardian must call the school before 9:00 a.m. the morning of the day(s) the student is absent. **Press 4 for attendance line and leave a message as to who is absent and a reason why.** If no call is made, the absence will be assumed to be unexcused.

Clearing an unexcused absence will require an excuse from the student's parent/guardian. On the first day back from the absence the high school attendance secretary will issue an admit slip. The student will then be required to present the admit slip to each teacher.

**Absence** is defined as missing part or all of one or more days, excused or unexcused. An excused absence allows the student to obtain credit for make-up work. The unexcused absence does not.

**Excused absences** - illness, medical, dental, chiropractic appointments; legal proceedings; death in the immediate family; religious holidays; family emergencies; school field trips; and pre-arranged absences previously approved by the principal such as WIAA tournaments, family vacations, and pre-approved hunting. All assignments that will be missed during a pre-arranged absence are to be completed before the student leaves. A student may not be excused for more than ten(10) days by his/her parent or guardian in a school year. A note from medical professional upon return to school from appointments is recommended.

**Unexcused absences** - include, but are not limited to, work; babysitting; skipping; shopping; haircuts; beauty and tanning appointments; and personal business. Any unexcused absence applies toward truancy.

**Habitual truancy-** As per Wisconsin Statute 118.16, parents are allowed to excuse their child five (5) times during each semester with a maximum of ten (10) days per year. All unexcused absences will fall under this rule. Excused absences in excess of the 5/10 rule may be determined as unexcused. Students with unexcused absences in excess of the 5/10 day rule will be referred for truancy.

### Tardiness

A student arriving late to school (but before 8:30 a.m.) is considered tardy and must sign in the office upon arrival. A late pass will be issued, determined to be excused or unexcused, and must be given to the first period teacher.

A student is also considered tardy during the remainder of the day if he/she is not in his/her seat when the second bell has rung.

In all classes, the tardiness is handled by the classroom teacher. After three (3) tardies to a class, a detention is assigned by the classroom teacher. Tardies reset or start at zero at the beginning of each quarter. Any detentions that are not served at the end of the calendar school year will be made up at the beginning of the next school year.

### ANNOUNCEMENTS

The bulletin board located by the office will be used for the daily announcements. It is a student's responsibility to check the bulletin board daily. P.A. announcements will be made for last minute changes or emergencies only.

Teachers are requested to read daily announcements during their third period class. In addition, they will post announcements in a prominent place in their room.

The daily announcements will also be posted to the school's web site by 9:15 a.m. each school day.

Students or staff wishing to post bulletin board items throughout the school must obtain permission from the principal.
